

Dr. Daryl Green

provides motivation, guidance, and training for leaders at critical ages and stages of their development. He has over 20 years of management experience and has been noted and quoted by *USA Today*, *Ebony Magazine*, and the Associated Press.

He is one of the leading authorities for helping individuals get more control. Daryl, a Generation Xer himself, applies a logical approach gained from his engineering and management backgrounds to help individuals make good decisions (both professionally and in the home environment). Before he was 30 years old, Daryl had already managed over 300 projects estimated at \$100 million dollars.

Green does perform a limited amount of pro bono work for nonprofit organizations and small businesses as his contribution to society. The following is a sample of his fee structure:
